Your service day will be Thursdays starting January 1, 2017

Badgerland Disposal is proud to announce new curbside collection service for residents in the Town of Koshkonong beginning January 1, 2017. Badgerland Disposal will provide recycling and refuse collection for all residents. Under the new curbside collection program each resident will receive a new 95-gallon poly-cart for their recyclables and a 95-gallon poly-cart for their trash. Please remember: **Red lid = Recycle.**

Starting January 1, please roll the containers to the end of the driveway on collection day. Your collection day will be on **Thursdays**. **Containers must be 3 feet apart & 3 feet from any obstruction**, walking between containers is a good rule of thumb. Or, place one container on the left side of the driveway and the other container on the right.

COLLECTION PROGRAM GUIDELINES:

- Trash and recycling must be curbside by 6:00 a.m. on your designated collection day,
- On holiday weeks we operate on a one-day delay,
- Carts remain the property of Badgerland Disposal. Residents will be required to pay for replacement carts if damages are due to negligence or abuse,
- Please do not take the containers if you move.

Items that **CANNOT** be placed in the **trash** container: Dirt, sod, concrete, rock, construction or demolition debris, household hazardous waste, banned electronic waste, animal wastes, leaves, grass clippings, hot ashes or flammable materials such as oil, gas or paint, batteries, engine parts or tires.

SAFE USE AND CART CARE:

- Always have the lid closed to keep rain, snow and animals out,
- Use the handle provided to move the cart, tilt and roll,
- To clean, simply rinse with water and let dry in the sunlight with the lid open,
- Do not place any unacceptable materials in the cart.
