## Viewing a Registered Sex Offender in your area

The Wisconsin Sex Offender Registry provides residents the ability to search for registered sex offenders. This website also provides the ability to sign up for notifications if offenders move into your area. This data is being provided on the Internet to make the information more easily available and accessible, not to warn about any specific individual. This Web site allows the criminal justice community to promote public awareness concerning the potential threat that sex offenders pose to Wisconsin's citizens.

1. The Sex Offender Registry can be found online at:

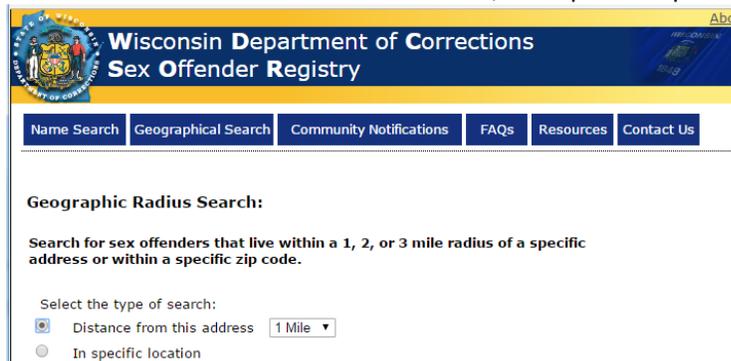

<http://offender.doc.state.wi.us/public/>

2. When you first go to the site, you will need to agree to the conditions of use. To do this read the Conditions and then Click the “I agree” button.

The screenshot shows the top of the Wisconsin Department of Corrections Sex Offender Registry website. The header includes the state seal and the text "Wisconsin Department of Corrections Sex Offender Registry". Below the header is a navigation menu with tabs for "Name Search", "Geographical Search", "Community Notifications", "FAQs", "Resources", and "Contact Us". The main content area contains a welcome message and a "Conditions of Use" section. The "Conditions of Use" section includes a "Purpose" paragraph and a "DOC SORP ADMINISTRATION" contact block. At the bottom of the "Conditions of Use" section, there is a line of text: "By clicking the I agree button, I accept the Conditions of Use as stated above." Below this text is a button labeled "I Agree" which is circled in red. A blue arrow points from the right side of the page towards the "I Agree" button.

3. To use the map feature, click the tab listed as “Geographical Search”. This will allow you to search within a certain distance from a residence, or a specific zip code.

The screenshot shows the "Geographic Radius Search" section of the Wisconsin Department of Corrections Sex Offender Registry website. The header and navigation menu are the same as in the previous screenshot. The main content area contains the "Geographic Radius Search:" section. It includes a search instruction: "Search for sex offenders that live within a 1, 2, or 3 mile radius of a specific address or within a specific zip code." Below this is a "Select the type of search:" section with two radio buttons. The first radio button is selected and is labeled "Distance from this address" with a dropdown menu showing "1 Mile". The second radio button is labeled "In specific location".
